INFORMATION FOR PARENTS AND STUDENTS OF YEARS 8 - 10

RECREATIONAL SPORT

TERM 3/4: 31st August 2022 to 7th December 2022

Recreational Sport is available for Term 3/4. There will be **13 sessions**, commencing **31st August** and running until **7th December**. We are conscious of cost and have tried to keep these to a minimum as it is a 13 week session some of these prices are higher than Term 1's 9 week session. The school has attempted to provide students with a wide variety of sporting and recreational options, both paying and non-paying, and therefore request that students commit to a recreational sport.

Selections will be made online this term via School Bytes. Student will receive information in year meeting about how they select their sport. After all sports are confirmed a link with a permission note and payment link (if required) will be email to parents. Spaces will still be available on seniority bases with the selection starting with Year 10, Year 9 and then Year 8. The selections will open at the following times.

Year 10: Opens on Monday 15th August at 7:30am and closes Monday 22nd August at 5pm

Year 9: Opens on Wednesday 17th August at 7:30am and closes Monday 22nd August at 5pm

Year 8: Opens on Wednesday 19th August at 8:30am and closes Monday 22nd August at 5pm

No refunds can be made for the recreational sport choices once the rolls have been made up as the school is committed to venues for numbers and costs.

Students must wear the correct sports uniform. Failure to do so will prevent them from participating in sport and no refund will be given if this occurs.

If parents and students have any queries regarding sport, please do not hesitate to contact me.
